BUFF AND BLUE TRIUMPHANT!

RALLY DEFEATS ROCHESTER TEAM

Come from Behind in Second Half and Pile Up Winning Score.

ROCHESTER STRONG

Showing a dazzling offensive in the middle of the second half and caging six baskets in succession, the Buff and Blue overwhelmed the Rochester basketball team on its home court Saturday night and landed a 24-19 victory in the opening game of the season. Rochester's short pass, no dribble attack fell down before Hamilton's impregnable defense, and the U. of R. players were compelled at all times to resort to long shots. Although unaccustomed to such a large court, Hamilton was able to pass around its opponents and easily bring the ball within scoring distance. If the Buff and Blue had shown more accuracy in the many tries for the basket, the score would have been very much larger. Hamilton was always able, however, to come through and cage the ball when a score was needed.

First Half Close

In the first half both teams resorted to a close checking game, and only three field goals were scored by each team. Hamilton was first to tally on a foul, Lawler doing the shooting. Rochester soon afterwards broke into the scoring on a goal by Stein. To the end of this period neither team was able to go into the lead to any great extent, and at the end of the half the score stood 11-10 in Rochester's favor.

It was during the second half that Hamilton showed her superiority over the Rochester quintet and swept them off their feet in a whirlwind spurt. With the Yellow leading by a score of 17-12 a few minutes after the opening of the period, Morrow dropped in two field goals, and Cowan made good a difficult side shot to give Hamilton the lead. Lawler widened the gap with a basket, and Baumler opened up Rochester's defense with two more field goals. Rochester was unable to come back after this rally and scored but one more basket, which came in the last two minutes when Adams broke through and dropped in a one-handed shot.

Outclass Opponents

Hamilton completely outclassed her opponents on both the offensive and defensive. Morrow and Johnson, at forwards, had little difficulty in getting in on the ball. Lawler, at center, out jumped his man and came through with four points on five foul shots. Captain Baumler and Cowan, at

(Continued on page 5.)

1920 FOOTBALL SCHEDULE

Oct. 9, Open, at Clinton.
16, R. P. I., at Clinton.
23, N. Y. U., at Clinton.
30, Amherst, at Amherst.
Nov. 6, Williams at Williamstown.
13, Rochester, at Clinton.
20, Union, at Schenectady.

ANNOUNCE SCHEDULE FOR 1920 FOOTBALL

Amherst Only Team which Appears Which was not on 1919 Line-up...

DROP SPRINGFIELD GAME

The football schedule for the 1920 season has been practically completed. Six games have already been secured, and there is but one date at present unfilled. It is planned to have an opening game at Clinton on the ninth of October, but no definite arrangements have as yet been made with a team for this game. The following week Renssalaer Polytechnic Institute will meet the Buff and Blue at Clinton. October twenty-third will see the strong New York University team once more arrayed against Hamilton on the latter's grounds. The first game away from home will occur on the thirtieth of October when the team will journey to Amherst. The next week the annual Williams game will be played at Williamstown. Rochester will oppose the Varsity for the last home game of the coming season on the thirteenth of November. The concluding game comes at Schenectady with the Buff and Blue's proverbial rival, Union.

Hardest Schedule in Years

This schedule is one of the hardest that the football team has attempted in many years. There are not as many scheduled games as the season of 1919 afforded, but it is a schedule that contains no "snaps" and no "sure" victories. The team will encounter a stiff series of mid-season games when it meets N. Y. U., Amherst, and Williams on three successive weeks. The Union game will also be played under the disadvantage of a strange ground.

Considerable Loss by Graduation

Considered collectively, the prospects are very good for the season despite the fact that the ranks of the players will be materially thinned by graduation. The line suffers the most in losing Gorman, Ogden, Baumler, and Keeler. From the ackfield go Peck, Johnson, Pape, and "Dick" Kaiser. As may be seen, this is a great loss and Coach Prettyman will have a

(Continued on page 5.)

VARSITY EASILY OUTPLAYS R. P. I.

Win on Ice, with Kaiser Brothers and Thompson, '23, in Starring Roles.

DISPLAY ROUNDED OFFENSE

In the first game of the 1920 hockey schedule Hamilton defeated R. P. I., 5 to 1. The visitors did not score until the last few minutes of play, when Barber took the puck down the wing and made a pretty shot off the goal tender's ankle.

Hamilton played with perfect team work. Thompson showed class by continually taking the rubber down his wing and then passing it to center. While he only made one goal he figured in the other four by feeding Al. and Dick Kaiser. Camparatively few halts were called during the game because of offside play. Ruther was the only man put out of the game for fouls and he was penalized but one minute.

With the exception of the falling snow the day was perfect. Between the halves the freshmen cleared the rink so that at the beginning of the second half the ice was in excellent condition.

Williams Next on Schedule

Next Saturday the team will play Willliams at Williamstown. If the weather permits the team will put on some finishing touches which should help them in their playing.

Throughout the entire game Hamilton kept the puck in Rensselaer's territory. The Buff and Blue showed much skill in pass work and in eluding the R. P. I. players. Captain Dick Kaiser at rover seemed to be at the vital spot whether on a defensive or offensive move. Reeder, '22, at goal did not have much chance to display his strength but he should develop into a good goal tender. Left wing seems to be the weak spot on the team so far. Peckham, the former star, appears to be the best of the four tried in Saturday's game, but Cobb of last year's team showed up well.

Following is the line-up and summary:

R. P. I. (1).		Hamilton (5).
Morgan	R. W.	Thompson
Barber	L. W.	Seaver
Cook (Capt.)	C.	A. Kaiser
Tierney	R.	R. Kaiser
Wheeler	P.	Clarke
Armstrong	C. P.	R. G. Reeder
Lawler	G.	R. Reeder

Scoring for R. P. I., Barber; for Hamilton, A. Kaiser 3, R. Kaiser 1, Thompson 1.

Substitutions, for R. P. I., Ruther for Morgan; for Hamilton, Calkins for Seaver, Peckham for Calkins, Cobb for Peckham. Referee, Dr. A. P. Saunders; umpire, Prof. A. I. Prettyman; timer, Mathewson. Time of halves, 20 minutes.

TEAM WILL MEET COLGATE TOMORROW

Maroon to be Opponent of Buff and Blue in First Home Game.

COLGATE WINNER LAST YEAR

Tomorrow night the Buff and Blue basketball tossers will meet the Colgate Five for the first home game of the seasons. Last year the Maroon defeated the Hamilton team in two close and hard-fought games and Captain Baumler's men are out to retrieve the defeats this year.

Saturday, the team conquered the Rochester quintet to the tune of 24 to 19 in what was the first game for both teams. In the past few days Coach Ziehl has been smoothing out the defects disclosed in the Rochester game and the team that faces Colgate should be better than the one that travelled to the Kodak City Saturday.

Morrow Will Play

Morrow, who played a fine game at forward Saturday, turned his ankle in the last few minutes of the game, but he will probably be ready to chalk up points tomorrow night.

So far this season Colgate has played five games, winning three and losing two. Union, Bucknell, and Clarkson Tech. went down to defeat before the Maroon, while Cornell and N. Y. U. won down by close scores. No comparison can be made between the two teams as yet, but it is almost certain that Hamilton will find a harder opponent in the Maroon than they had last Saturday in Rochester.

All of Colgate's varsity of last year are back with the exception of Dwyer. O. Anderson, the football star is captain of the Maroon and is taking Dwyer's place at left forward. The two teams will probably line up as follows:

Hamilton—Johnson, lf., Morrow, r.f., Lawler, c., Cowan, r.g., Baumler, l.g. Colgate—O. Anderson, l.f., N. Anderson, r.f., Cottrell, c., Linnehan, r.g., Steffen, l.g.

HOCKEY SCHEDULE

Jan. 10, R. P. I., at Clinton.
17, Williams, at Williamstown
24, Open.
Feb. 7, Union at Schenectady.
14, West Point, at West Point.
21 or 23, Springfield, at Clinton.
28, Williams, at Clinton.

ASSOCIATION HOLDS BUSINESS MEETING

Election of Officers and Members of New Council for 1920 at College Dinner.

DR. WOOD RE-ELECTED

The annual fall business meeting of the Association for Undergraduate Activities was held at a College Dinner December 17, 1919. Considerable business, including the election of officers for the ensuing year, action on several proposed revisions to the Constitution, and the election of Manager and Assistant Manager of Football, was enacted.

As soon as the dinner was finished Dr. Wood called the meeting to order and nominations were in order for Undergraduate Members of the Executive Council. The three men who were elected on the final ballot were John S. Van Kennan of Ogdensburg, Roy Cowan, also of Ogdensburg, and Arthur Campbell of Binghamton. All three have prominent places in college affairs, while Campbell is Captain-elect of next year's football team.

While the tellers were collecting and counting the votes the resignation of Kaiser, '20, as Manager of Charlatans was accepted and the recommendation of the Council that Seaver, '21, be elected in his stead was unanimously adopted.

Sullivan, '22, Awarded H

The Council then offered a recommendation that Sullivan, '22, be awarded his football H for meritorious services although his injury early in the season had prevented his playing in the required number of games. This was adopted unanimously and with cheers.

Following this the Treasurer's Report was read by Dr. Dale, and showed a substantial balance in the funds.

Certain revisions in the Constitution to bring it up to date and relieve it of the numerous amendments were suggested by the Council and after some debate those referring to Article 3, Section A, paragraphs 2 and 3a; Article 3, Section B, paragraph 2; and Article 2, paragraph 3, of the By-Laws were accepted as amended. The Constitution as changed is being printed and will soon be in the hands of the college body.

The election of the Faculty and Alumni members being next in order, Dr. Wood was unanimously re-elected president; Dr. A. P. Saunders, was re-elected unanimously as Vice-President, and Dr. Dale likewise as the third Faculty Member of the Council. The nominations of Newton, '05, Sicard, '06, and Watkin, '12, as Alumni Members of the Couuncil was unanimously accepted.

Keehn, '21, was then placed in nomination for Manager of Football and unanimously elected. Kelly, '22, and Getman, '22, were nominated by Manager Parmelee for Assistant Manager of Football. Getman was elected.

The meeting adjourned with Carissima.

Dr. M. Woolsey Stryker, '72, and family of Rome, N. Y., are spending the winter months in Florida.

Cornell University Medical College

IN THE CITY OF NEW YORK

Admits graduates of Hamilton College presenting the required Physics, Chemistry, Biology, English and a Modern Language.

Instruction by laboratory methods throughout the course. Small sections facilitate contact of student and instructor.

Graduate courses leading to A. M. and Ph. D. also offered under direction of the Graduate School of Cornell University.

Applications for admission are preferably made not later than June. Next session opens September, 1919.

For information and catalogue, address THE DEAN,

CORNELL UNIVERSITY MEDICAL COLLEGE,

Box 432, First Avenue and Twenty-eighth Street, New York City.

Albany Law School

The course of study leading to the degree of LL.B. extends over a period of three years. Students who have pursued one or two years in a law office may enter the second year class as a candidate for a diploma, but not a degree.

The high standard of the school and the facilities which the city affords with its legislature, courts and library offer unequalled opportunity for a thorough and practical training. J. NEWTON FIERO, Dean.

Basketball

The first home game of the season in Basketball occurs tomorrow night, when Captain Baumler and his teammates stack up against Colgate's star outfit. Every man in college is expected to be at the game to do his share. Be in the Gym by 7:30 and let's stir up some pep.

* * *

Our Winter Sports

Both of Hamilton's winter sports started off with victories in the opening contests last Saturday. Both the Hockey and Basketball Teams seem to be unusually strong and a successful season ought to be an assured fact. The pervading fear seems to be against overconfidence, the same sort of overconfidence to which our football team of 1919 attributed their defeat at the hands of R. P. I., an obviously weaker opponent. There seems to be no reason for such a doubt with the apparent strength of the teams on our schedules. But, the known veteran material on our teams and their success last Saturday ought to be enough to warrant the college and its alumni to expect a successful season.

We are, indeed, happy to see that evidently the coaching department has changed its attitude of opposing teams to low scores to one of piling up more points than opponents. No team can win on a defensive alone. A powerful offensive is always the best defense, a fact which was clearly shown in both the Saturday games. On the defensive in the first half against Rochester, our Basketball Team swept into an offensive in the latter part of the second period which brought a victory to our Buff and Blue banners over one of the strongest teams in New York State. It seems to be all a matter of mental gymnastics. The team which fights to win is going to do the job before the one whose only purpose is to hold the other without a score.

Our alumni, both at the Central New York and Broome County Association banquets held during Christmas vacation, voted in unison that the spirit of our athletic contests during the past few years showed a faulty attitude on the part both of the teams, the undergraduates, and the coaching departments. "Let your opponents score, we do not care, so long as you win," is their theory and the one which was exemplified in the days gone by. The alumni want more victories. We have as good material as our opponents. The college and its alumni are looking forward and expect more victories.

—Louis J. Baumer, '17, married Miss Dorothea Gillman of Syracuse, N. Y., on October 21, 1919. Mr. and Mrs. Baumer have gone to California, but will reside in Syracuse, N. Y.

—Rev. John L. Bachman, '70, of Sweetwater, Tenn., died recently. He was one of the three soldiers of the Confederate Army who entered a northern college after the war. Mr. Bachman was a member of the Theta Delta Chi.

LETTER FROM DODGE, '17, RECITES EXPERIENCES

As Instructor in Roberts College in Constantinople, Turkey. . .

The following is an extract from a letter received from Harold S. Dodge, '17, who is an instructor in the Roberts College in Constantinople, Turkey:

"The College is beautifully situated—the view in almost any direction is worth while. The buildings are modern—typically American and from all appearances we might be in almost any school in the States. We are really three schools in one—the preparatory department, sub-freshman, and college proper. I'm living in the prearatory department and have charge of a dormitory of attractive young devils. Evidently the honor system has never been heard of here, and as a result beaucoup surveillance has been thrust upon me.

"The actual class-room work is fascinating. I teach beginners; English II, fourth year preparatory geography, sub-freshman geography and sophomore Latin. Everyone is so eager to learn that teaching is simplified.

"The city of Constantinople, which is about five meters distant, is the most fascinating city that I have ever been in—I mean Stamboul, the real old Turkish section. Whenever I feel bored, I head for Stamboul and bury myself in the bazaars."

Spice o' Life

Weakley Pome

Our Prex, he went to Binghamton,
To tend a little feed;
He took Coach Prettyman along
To help in time of need.
The dinner was a ig affair
Of Hamiltonian sons;
And from our entire faculty,
These were the only ones.
The banquet hadn't far progressed,
When "EXTRA SUN" was heard;
A yelling newsie hove in sight,
And then the joke occurred.
The head-lines made of Prex a 'Red,'
He seemed a little riled;
He looked upon the coach for aid,
But coach, he only smiled.
One man demanded "paint-night" back,
"Paint up that mother's child—"
Prex sneaked a look at Prettyman,
To find that he still smiled.
Then Prexie made a wondrous speech,
The banquet-hall went wild;
And then the coach was called upon,
This time—'twas Prex who smiled.

Heard in Bug's Class

Wise Sophomore, looking at model of worm: "Looks good enough to eat."

Witty Freshman: "They always look good to fish."

Ridings and Conger colaborating on a one-act play. Ridings says: "What this play needs is action."

Conger says: "Yes, by all means. Have the hero get up and flick the ashes off his cigarette."

"Baldy": "What is the text of the Blue Sky laws?"

Mulford: "It's one of these new laws about aviation, isn't it."

Gordon Schwartz and Dick Kaiser are making arrangements to run a cabaret show at Mertz's. Dick has signed up as the tenor trombone player.

The report that Prex is a Red must be true. He was seen walking across the campus with "Ed" Kelly last week.

We wonder what "Ed" Couper is going to do with the goblet that he received at the Binghamton Alumni Banquet. It might make a good shaving mug. Who knows?

Bud: "My dog sleeps with me every night."

Brad: "Don't you know that's unhealthy?"

Bud: "Sure; but he's used to it."

Shimmie Sam sez: "This wood alcohol makes a fine week end. Drink it on Tuesday and your week will end right then."

Wanted, by Shimmie Sam, a wife with a good pair of eyes, to take in sewing.

guards, were able to smash the Rochester pass work with little difficulty. Baumler outplayed Stein, the Rochester captain, holding him to one basket, but also scored two field baskets, which put the game on ice for Hamilton. Adams played the most consistent game for Rochester, scoring three goals. He was the only man on his team that followed up his shots and adhered to Coach Kuolt's system of short passes and no dribbling.

Morrow was forced to withdraw on account of an injury to his ankle shortly before the game ended and was replaced by Campbell.

ANNOUNCE SCHEDULE FOR 1920 FOOTBALL

(Continued from page 1.)

serious task on his hands. Around a nucleus of veteran material composed of Captain Campbell, Clarke, Sullivan, Welsh, Burke, Fowler, and Schwartz, must be built the team. Kaiser, Warren, Seaver, Burns, Pope, and Hyde have shown up well in the ranks of the substitutes this year and can be counted on for even better work next season.

The lack of weight on the line will probably cause the whole style of play to be one of open formation, in which the team will depend more on speed than on a heavy, crashing attack.

—Lee W. Felt, '14, is a captain in the U. S. Army. He is in the balloon section of the Hawaiian Department, and is situated at Honolulu, Hawaiian Islands.

—Joseph G. Taylor, '13, after his discharge from his duties as First Lieutenant in the Sanitary Corps, is now engaged in commercial photography. He is located at 109 East 28th Street, New York City.

—Philip A. Laing, '80, of Buffalo, has been appointed by Governor Smith to fill the vacancy on the Supreme Court bench, eighth judicial district, caused by the death of Justice Edward K. Emery. His term of office will expire January 21, 1921.

—Myron E. Wilder, '11, was on the Hill last week. Since his discharge from the army he has been selling farm machinery.

—Gerard F. Hubbard, ex-'18, is in charge of the Sales Promotion Department of the United States Tire Company in Richmond, Va.

—Samuel F. Bagg of the class of '69, died January 1, 1920, at his home in Troy, N. Y. Death followed a stroke of paralysis which occurred on Christmas day. Mr. Bagg was the fourth member of his family to die within 12 days, the death of three of his four sisters having occurred just previous to his. He was a member of Alpha Delta Phi.

Electricity—
the Master Force in Manufacturing

THE marvels of electricity have revolutionized our manufacturing industries. With belts and pulleys replaced by electric motors operating automatic—almost human—machines, many a slow and tedious process has been eliminated. The factory worker's task of yesterday is made pleasant by his command of this magic power.

The Crane Company's plant at Chicago—electrical throughout—is a model of industrial efficiency. Its 10,000 horsepower of driving energy is brought by three small wires from a distant power plant. Then electricity drives the machinery which handles the coal for heating, cuts the steel, sifts the sand and sorts the material—in fact does everything from scrubbing the floor to winding the clock.

Such an institution is marvelous—superhuman—made thus by the man-multiplying force of electricity. The General Electric Company has been instrumental in effecting this evolution. First, by developing successful electric generating and transmission apparatus to furnish economically this modern form of power. Secondly, through many years of active co-operation with hundreds of manufacturers, it has mastered the art of applying the use of electrical energy to a multitude of needs. And finally, through branch offices and other distributing channels, its products are made accessible to all.

Carpe Diem

The editor of the paper almost made a New Year's resolution to throw out this column. But he finally decided to give us one more chance. Well, here goes: Much to our sorrow we are compelled to start the New Year with a couple of dark jokes—Brown and Black.

Brown: "Where yo all goin' wid dat shoe polish, brudder?"

Black: "Don't get fresh, nigger. Dat ain't shoe polish, dat's mah message cream."

We hate to talk about the Profs. But, when a man can keep the same ideals in peace that he had in war, we think he deserves mention. Such a man is Professor Russo, who still keeps his old battle cry, "They shall not pass."

Now we come to a few examples showing how Cal's course benefits the boys in outside circles. Art Tower, after returning from a dance at Skidmore, where he had been the guest of a nice, bobbed, red-haired, man-hating society belle of generous proportions, who did not know what her feet were for, put the following passage in his bread and butter letter: "If you are a man hater, then believe me I like to be hated that way." All the boys who have heard Art's description of the rotten time he had will all join in the chorus, "Hats off to Cal."

Why do the Chi Psi's wear soiled collars? Smell and see. "Your nose knows." One of the brothers broke a quart in his suit case on his way back.

The members of D. K. E. (not the Dicky Club—Ballot, please notice) are going to hold their next convention at Cuba. "Where there's a will there's a way." We advise them to hold it near the New Year as "happy returns" will be in (dis)order.

We will leave the Psi U's out this week, since, not being mathematicians and having only one adding machine, we cannot handle such large numbers.

Information concerning the Alpha Delts can be found on another page of this paper under the heading "Hockey News." Guess why!

Owing to the lack of space the Sigs and other lesser lights will appear next week, that is, if we can't think of anything else.

Before we close we will let you in on one of the secrets of the last faculty meeting.

Baldy: "Does Moore know anything?"

Bugs: "No. He doesn't even suspect anything."

We were able to obtain this information only at great cost and considerable planning, but finally we were able to smuggle across the border line of censorship this last bit of news.

—The engagement of Miss Dorothy May Malloch, daughter of Mr. and Mrs. Dougless Malloch of Chicago, Ill., to Vilas M. Swan, '17 of Rochester, N. Y., was announced on November 1, 1919. Mr. Swan was an Ensign at the Great Lakes Training Station during the war.

Doctors Prescribe John's Cascara Compound Tablets for Constipation

They have been prescribing them for years. Ask any prescription clerk...

John's Cascara Compound Tablets are the ideal agent for overcoming habitual constipation. IDEAL because they contain no irritating cathartics which apply the whip to the intestines, weaken the system and end by aggravating the very condition they were intended to relieve.

The gentle, thorough, laxative effect of Johns' Cascara Compound Tablets is due entirely to Johns' concentrated and refined extract of Cascara Sagrada, the "sacred bark" of the Aztecs, who knew its value in correcting constipation—the source of so much sickness and discomfort.

They relieve flatulence, nausea, vertigo, water brash, constipation and loss of appetite. They remove greasiness and sallowness of the complexion. They are a most efficient remedy for bilious attacks and sick headaches.

A Johns' Cascara Compound Tablet taken at night insures in the morning a natural and complete evacuation of the bowel contents. The continued use of Johns' Cascara Compound Tablets can be nothing but beneficial. Price, 25 cents.

On Sale at All Druggists

BROOME COUNTY ALUMNI BANQUET

Dr. Ferry and Coach Prettyman Attend as Honor Guests of Evening.

CRUMB, '05, CHOSEN PRESIDENT

One of the largest gatherings of Hamilton men ever brought together from one county was present at the Hamilton Broome County Alumni Banquet held at the Hotel Bennett in Binghamton Saturday evening, December 27. About seventy-five graduates, under-graduates, and sub-freshmen sat down to the feed in the Italian room of the hotel and enjoyed every moment of the evening.

Police Search for "Prex"

During the meal, a bell boy rushed madly in and distributed a number of Extras, published by the "Morning Sun." Across the front of the sheet was prominently headlined, "College President is Sought by Police --Is Friend of Reds." The article went on, stating that President Ferry of Hamilton College had been accused of conspiring with the leaders of the anarchists in America but had escaped apprehension by the police. Letters, written by Emma Goldman to President Ferry, were said to be held as evidence in the case. Emma urged "Prex" to come along with "Alec" and her to Russia. In his reply Dr. Ferry said that he would come along if she would can Alec, as three was a crowd. Other features of the edition was the announcement of a future fistic battle between "Tom" Mangan and "Kid" Stryker of Rome. Announcement of the 1920 All-American Football Team, upon which eight Hamilton men were placed, was also made. The rest of the page was taken up with scandal about Hamilton alumni and cartoons entitled "High Lights in the History of Hamilton College."

After the banquet had been served, the men were called to order by Thomas J. Mangan, '94, toastmaster of the evening and president of the Broome County Association of Hamilton Alumni. After a few words, he introduced President Ferry, as the honor guest of the evening.

"Del" McLean, '08, Present

At the close of President Ferry's speech, "Del" McLean, '08, who was injured in an automobile accident in France after the signing of the armistice, hobbled into the banquet room supported by crutches. A long yell was given for the veteran.

The other men who spoke and their topics were: Judge George F. Lyon, '72, "The Crew of '72"; "Fred" Welsh, '92, "The Football Team of '92; Frederick J. Meagher, '99, "Excused Absences"; Harry Mintz, '01, "Why Hamilton?" Principal Herbert H. Crumb, '05, "The Real Hamilton Spirit"; Principal Frank H. Smith, '84, "Possibilities for '24"; Rexford W. Titus, '10, "The Return of Paint Night"; Edgar W. Couper, '20, "My Key"; Arthur Campbell, '21, "Football Team of 1920". Coach Prettyman gave a short talk in which he expressed his belief in a still better team for next fall.

Following the speeches, a number of relics of the college were given to the men whose names were drawn from the hat. Among the relics were a pair of green stockings, said to have been given to "Little Greek" by a once-famous actress. "Addie" Keeler, '20, became the proud owner of the first community toothbrush used at Hamilton and "Ed" Couper received one of the original goblets used at Mahady's tavern in the early 80's.

Elections of officers of the Alumni Association resulted in the election of Herbert H. Crumb, '05, as president; Stuart B. Blakely, '03, as vice-president; Delevan McLean, '08, as secretary, and Charles J. Mangan, '12 as treasurer.

The committee in charge of the banquet consisted of: Delevan McLean, '08, George Lyon, '13, Charles J. Mangan, '12, Rexford W. Titus, '10, and C. Addison Keeler, '20. George Lyon, '13, edited the extra, and had charge of the distribution of the relics.

COASTING ACCIDENT

Johnson, '23, Breaks Ankle in Mishap on Psi U Turn.

Another serious coasting accident occurred in front of the Psi Upsilon House Thursday, January 8th. It resulted in Johnson, '23, of Hudson, N. Y., suffering a broken ankle while the other two occupants of the sled, Severin, '22, and Burns, '23, suffered minor injuries. The Hill was especially fast at the time of the accident, and the sled was going at a high rate of speed when it reached the turn. They lost control of the sled, and it crashed into a tree. They were carried into the Psi U. House, and Dr. Dudley attended them.

NEW PROPOSITIONS FOR VOTE

In the last issue of **Life** an article appeared containing four propositions about the League of Nations. Since that time two new propositions have been added.

The propositions are No. 5—I favor the Government proceeding to make peace with Germany at once and leaving the question of a League of Nations to be settled afterwards. No. 6—I favor a compromise on the reservations of such a character as will avoid the danger of defeating ratification while still making clear that America can only be involved in war by a declaration of Congress, that domestic questions and the Monroe doctrine are entirely ouutside of the jurisdiction of the League, that plural votes of any member are all disqualified in the case of a dispute wherein we are disqualified from voting, and that on deciding to withdraw we are to be the judge of whether our obligations have been met.

—Frederick S. Easton, Jr., ex-'06, has been elected Assemblyman from Lewis County.

SYRACUSE ALUMNI ELECT OFFICERS

Hold Banquet in Hotel Mizpah of Central New York State Alumni Association.

GILBERT, '89, PRESIDENT

The annual banquet of the Hamilton College Alumni Association of Central New York was held December 30 at the Hotel Mizpah, at Syracuuse, N. Y., and was one of the most successful get-togethers ever staged. Alumni from all sections of Central New York were present, and practically every class from 1867 to 1923 was represented. Samuel N. Dada of the class of '49 represented the oldest class, while Ammerman, '23, upheld the youngest. Several sub-freshmen were also present.

The speakers were Dr. Frederick C. Ferry; Dr. Henry DeGroat, principal of the Cortland Normal School, a classmate of Dr. Ferry's at Williams; Edward J. Bonner, '99, principal of the Rochester Training School; Frank Gilbert, '89, Deputy Commissioner of Education of New York State; J. Edmund Moore, '21, responded for the undergraduates.

Gilbert, '89, Elected President

Frank Gilbert, '89, was elected president of the Association, and E. B. Mattoon, '16, secretary. A booklet prepared by Mattoon, and presented with the compliments of Melvin G. Dodge, '90, owner of the Kirkland Press of Utica, was given to all present. This pamphlet contains the names and addresses of all the graduates, non-graduates, and those who have received honorary degrees in Central New York.

The following alumni and undergraduates were present: Dada, '49, Babcock and Potter, '67, Sedgwick, '68, Hant, '74, Winne, '77, Davis, '78, Carmer, '80, McLachlan, '81, Dewey, '82, Sherwood, '82, Ames, '83, Gale and Smith, '87, Gilbert, '89, Dodge and Lewis, '90, Naylor and Roberts, '94, McConnell, '95, Robbins, '96, Frost, '97, Hill and Searle, '98, Bonner, Mosher, and Stuart, '99, Clark, '00, Campbell, Lewis, and Naylor, '02, Carmer and Lomber, '03, Newton and Schermerhorn, '04, Crumb, '05, Blodgett and Plumb, '09, Casey and Getman, '11, Adams, Erskine, Knox, and Watkins, '12, Wassung, '13, Davis, Jones, Knapp, and Mattoon, '16, Lyon, '17, Powers and Searle, '18, Harbordt, '19, Smith and Calkins, '20, Moore and Wynkoop, '21, and Ammerman, '23.

—Earl L. Regin, '12, and Miss Louise Crowe of Utica, N. Y., were married in Chicago, Ill., November 10, 1919.

—Rumley DeWitt, '07, is Engineering Inspector for the Pacific Marine and Construction Co., San Diego, Cal. This company is turning out 7500 ton concrete ships.

—The death of Robert W. Hughes, of the class of 1881, occurred December 27, at his home in Erie, Pa. Mr. Hughes was a member of the Emerson Literary Society and was awarded a Phi Beta Kappa key.

WESLEYAN, AMHERST AND UNION ON DEBATE LIST

Arguments Will Probably Occur Some Time Before Easter Vacation.

PROF. LEWIS IN CHARGE

Through the efforts of Prof. Calvin L. Lewis, head of the department of public speaking, intercollegiate debating will be again taken up by the undergraduates of Hamilton. Professor Lewis has corresponded with a number of colleges in the eastern section of the country and if the project receives the support of the undergraduates, debates will be held either on the Hill or at the rival colleges.

Although no definite arrangements as to the dates or the methods of conducting the debates have been made, it is very probable that they will be held before the Easter recess. Professor Lewis has practically agreed to a triangular league with Amherst and Union Colleges. He expects that contracts will be signed in the near future. Wesleyan has also written asking for a possible debate with Hamilton, and inasmuch as Wesleyan has always been our rival in the "silver-tongued" art, a contest will probably be held with that institution.

Trials Before Prom.

Trials for the debate teams will be held some time before Junior Prom Week. There will be sixteen men selected, to be divided up into four different teams. Each team will debate against a different college, probably upon different subjects. No man competent to act as instructor in debate work has been found and the work will continue under the supervision of Prof. Lewis. The debate work may be substituted for the chapel declamations which would naturally take place during this time. This is the only inter-collegiate sport for which credit is given. It is desired that a large number of men, especially from the classes who will be in college next year, try for the squad.

WILLIAMS NEXT SATURDAY

Next Saturday our Hockey Team journeys to Williamstown, Mass., for a game with the Williams team. The New England College is reputed to have a crack team this year, and made a great showing against the strong Wesleyan team. They have many experts on the ice, not the least of whom is the famous football star, Bennie Boynton. The squad which reported at the beginning of the season was large and because of good weather has had a lot of intensive practice. The rink is in good condition at present and, with continued cold weather, the ice should allow a fast game.

—W. V. B. Turnbull, '15, has just returned from overseas and is attending the Albany Law School, Albany, N. Y.

—William F. Mansfield, '07, is now metallurgist, connected with the National Lamp Works of the General Electric Co., and is located at Nela Park, Cleveland, Ohio.
